MOVE #1:

We have asked for much prayer as Troy laboured on the new office being constructed for GoodSeed. In the past year, our staff have poured much blood, sweat and tears into this new workplace and we are thrilled that the move is now complete.

In our old office, the video studio was also our warehouse/shipping/reception/desk area. Work in the studio meant shutting down many of our other operations. Now we have a dedicated video/photography studio and Troy's office looks out into it. With proper audio and video studios (as well as more office and warehouse space), we have better capability to bring a number of projects to completion. Troy is excited to be able to get back to his "normal" jobs of videography, video editing, website oversight, seminar teaching and so on. We also now have room to grow! Our Canadian office staff has more than doubled in the last 5 years and we are praying for more co-workers to help out. We hosted a well-attended Open House in August when over 200 visitors were able to gain a better picture of GoodSeed's history and our vision for worldview evangelism. If you are nearby, please contact us and we can arrange a tour of our new International Office.

MOVE #2:

We have bought a house! The provision of a home has been a prayer request of ours for several years. We would need a few more pages to relate all the ways the Lord has provided for us to own this home, but suffice it to say that we are incredibly thankful to Him. We deeply appreciate those of you who have prayed and given to make this purchase possible. We move into town the end of September. We look forward to having more room for our family, as well as room to show hospitality to the many folks who pass through on GoodSeed business. We'd love to have you into our home as well!

How can you partner with us in our ministry with GoodSeed? See the boxes below:

Flower girl.

Adelaine terrorizing a kitten.

ADELAINE (4 in December) adores kittens, loves picking flowers and will stop in the middle of a busy street to pick up a small stone to add to her collection. She loves to sing and “read” to her stuffed animals. She often brings out her large Winnie the Pooh (aka. her “Prince”) to dance at an imaginary ball. She goes crazy when she gets her hands on stickers and has learned to draw her own strange stick man. She has a sweet, motherly personality, yet is very independent and strong-willed. We pray daily that her heart would grow tender toward the Lord and she would begin to understand the good news of salvation.

Troy and his little buddy

ETHAN (2 in October) constantly amazes us with how different he is from the girls. He is a rough and tumble boy, very aggressive and boisterous. He’s a little clown and keeps us all laughing at his silliness. He is a master imitator and has learned many skills much earlier than his sisters simply because of his desire to keep up with them. He loves to brush his teeth and “shave” in the morning with daddy. He enjoys trains and animals and makes his mama nervous by climbing as high as he can, then hanging out over the empty space below. We see such intelligence and potential already in this little guy and pray each day that He will have a heart for his God.

ELLIE (5½) is such a bright little thing. She loves to learn and has quite an interest in science and the ocean in particular. She has a knack for saying the most hilarious things. She began Kindergarten this year and is eager to please. She loves to colour and make “books,” a few of which have been quite impressive. We are thrilled to see evidence of the Holy Spirit at work in her life and pray that she will always have such a tender heart toward her Savior.
